ABOUT US

The Friends of York Theatre Royal are an enthusiastic theatre-loving group keen to support our local theatre, raise funds and meet others who share a passion for the arts.

We are always keen to welcome new faces to participate in numerous social and fundraising initiatives, bringing fresh ideas and supporting our local theatre.

64 YEARS OF SUPPORT AND FRIENDSHIP

The Friends was founded in 1959 when a group of people got together to raise money for their local theatre. 64 years on and we are still supporting York Theatre Royal and have raised over £30,000 in the last 10 years to help with a variety of projects.

Most recently, £5,000 was raised for the community production *Sovereign* in 2023. Staged outside at King's Manor, this acclaimed production involved more 200 volunteers including members of The Friends.

Previous contributions over the years include renovating the patio area, assistance with production costs for *Peter Pan*, *Othello* and *The Railway Children*, replacing access equipment and the lift, as well as updates to the building's interior.

In 2015 £7,000 was presented for the levelling and strengthening of the stage in the theatre's Main House auditorium.
